

Assistant Prof. Ming-Chang Tsai

National Kaohsiung University of Science and Technology

Office: M301F

Email: tsay@nkust.edu.tw

Courses

Mechanics of Materials
Calculus
Precision manufacturing
Machine design
Seminar

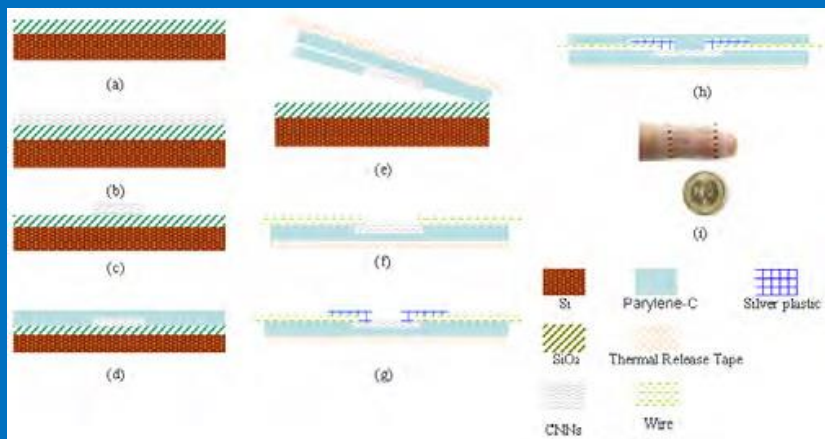

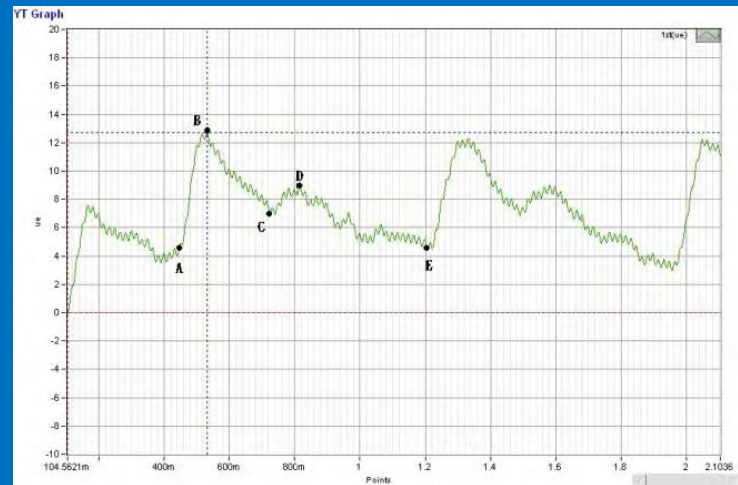

Field of Research

Biomechanics,
Electromyography Analysis of Biologics
Mechanics

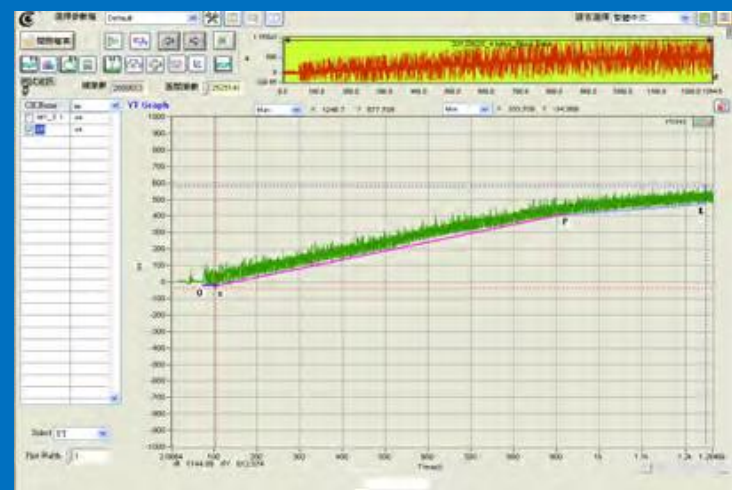

Measurement of Vessel Strain

The Blood Pressure Waveform

Creation of the Carbon Nanotubes Strain Gauge

Strain Change Graph of GSV in the Left Lower Extremity
